Subject: Appreciation Letter

Dear Team STARWORTH,

At the outset of this global pandemic, we would like to appreciate the entire Starworth team for the initiatives and precautionary measures taken during the COVID 19 lockdown for rendering the best possible facilities at the Labour Camp, even the same was highly admired by the government officials from the labour department during their visit.

We have also witnessed the various facilities like Cooked food packets, packaged drinking water, periodic medical check-up was provided and also noticed proper social distancing and personal hygiene measures implemented per the guidelines and directions from the Government & HSE department of BIAL.

Sincerely
